Quarterly Results

The Board of Directors of Noida Toll Bridge Company Limited (NTBCL) approved the Company's un-audited results for the quarter and nine months ended December 31, 2009, today.

NTBCL, the concessionaire for the Delhi Noida Toll Bridge, has reported total revenue and other income of Rs 224 million for the quarter ended December 31, 2009, an increase of approximately 12% from the corresponding quarter in the previous year and a profit from ordinary activity before tax of Rs 116 million, an increase of approximately 22% from the corresponding quarter in the previous year.

The net profit after tax for the quarter has been reported at Rs 86 million as compared to Rs 83 million of the corresponding quarter in the previous year. The profit after tax has been impacted due to additional tax provision on account of MAT and deferred tax liability.

The Average Daily Traffic (ADT) for the quarter ended December 31, 2009 was 1,08,440 vehicles as compared to 1,01,914 vehicles in the corresponding quarter in the previous financial year showing an increase of more than 6%.
